

COPYRIGHT TRANSFER AGREEMENT

Manuscript No.: _____

Title: _____

Author(s): _____

In accordance with the *Copyright Law of the People's Republic of China*, all authors of the above-mentioned manuscript hereby agree that, effective from the date of signing this Agreement, if the manuscript is accepted for publication, it shall be published in *Scientia Agricultura Sinica*. All authors agree to transfer, free of charge and on a worldwide basis, the rights of reproduction, translation, distribution, communication to the public through information networks, and compilation in the above-mentioned manuscript to the Editorial Office of *Scientia Agricultura Sinica*, the publishing entity of the journal. All authors further grant the Editorial Office of *Scientia Agricultura Sinica* exclusive authorization to act on their behalf, as necessary, in applying for copyright registration of the above-mentioned work in all forms of media.

(1) The authors may freely exercise the following rights. When exercising these rights, the authors agree to acknowledge the original publication of the article in *Scientia Agricultura Sinica* in all copies of the article produced for such purposes.

- ① The authors retain all proprietary rights other than copyright.
- ② After the article has been published in *Scientia Agricultura Sinica*, the authors shall retain non-exclusive rights. When compiling their own collected works or publishing their works through other means (including on their personal websites), the authors may reproduce or use the article, in whole or in part, in its published format without modification and without obtaining permission from the Editorial Office of *Scientia Agricultura Sinica*, provided that the original publication in *Scientia Agricultura Sinica* is acknowledged, including the volume, issue, and page numbers.
- ③ The authors have the right to reproduce the article, in whole or in part, for their own research, review and summary, presentations, or teaching purposes.
- ④ If the article was created by an author in the course of fulfilling work assignments entrusted by a legal entity or other organization, it shall be regarded as a work created in the course of employment. The legal entity or other organization shall have the right to reproduce the article for internal use within the scope of its business activities.

(2) The authors make the following representations and warranties and assume full responsibility for them. (Items ①–④ are mandatory. Please tick (√) the appropriate box(es).)

- ① Publication and submission status of the manuscript:
 - ☐ The entire content of this manuscript has not been formally published in any other books or journals, either in China or abroad.
 - ☐ Part of the content of this manuscript has previously been published in [_____]. (A separate explanatory statement must be attached.)
 - ☐ Part of the content of this manuscript has been submitted to [_____] and is awaiting a decision. (A separate explanatory statement must be attached.)
- ② ☐ The content of this article does not involve any state secrets, and all references to the work of others have been properly acknowledged and cited.

③ ☐ The content of this article, the authorship, and the order of authors have been reviewed and approved by all authors.

④ ☐ All authors agree to the standards established by *Scientia Agricultura Sinica* regarding manuscript review fees, publication fees, and payment of authors' remuneration, and undertake to comply with the relevant requirements.

(3) The authors acknowledge and agree to the following provisions. (Please tick (√) as appropriate.)

① ☐ We agree that this article may be considered as a candidate for the "CNKI Digital Publishing Project for Foreign-Language Editions of Selected High-Quality Chinese Academic Journals." If selected, the full text of the article may be translated into a foreign language and promoted internationally.

☐ We do not agree.

② The standard manuscript processing period is three months. If the authors have not received any notification concerning revision, acceptance, or rejection within three months from the date on which the manuscript was formally received and registered by the Editorial Office (i.e., the date on which a manuscript number was assigned), they shall have the right to submit the manuscript to another journal. However, the authors must notify *Scientia Agricultura Sinica* of the withdrawal of the manuscript before submitting it elsewhere.

③ The remuneration paid to the authors by the Editorial Office for the article shall be deemed to include the copyright royalties payable for the digital reproduction, compilation, distribution, and communication to the public through information networks of the article by China Academic Journals (CD Edition) Electronic Publishing House through China National Knowledge Infrastructure (CNKI) and its associated database products, as well as the copyright royalties payable for communication to the public through information networks by other databases.

(4) Any matters not covered by this Agreement shall be resolved through mutual consultation between the parties.

Signatures of All Authors (In principle, signatures by proxy are not permitted. In exceptional circumstances, please contact the editor responsible for the manuscript for consultation.)
